### **Donation to Assist Water Issues Meeting**

RVHA received a request for a donation to support a mailing on DWID information and status. The concern expressed by Board members is that the donation could have a negative impact on the neutrality of RVHA in what is becoming a contentious issue in the community. Instead it was felt a better spend would be to support a panel of experts providing factual information for the benefit of the community as area interest. The panel would focus on the current situation, future expectations, and the three factions in discussion 1) formation of a DWID, 2) formation of a Co-op (regulated by the Arizona Corporation Commission, expensive to form, complex, water cannot be sold to non-members), 3) opposition to the DWID without any plan for water resources going forward.

The Board supports the meeting infrastructure set-up to promote information to the community. A motion was made to contribute \$1000 to this effort should such a meeting take place. Seconded with no discussion, passed with no opposition.

### **Membership Fees**

Following several email discussions the Board agreed to offer half price membership to all renewals and new members for 2021 to offset the lack of social events due to COVID-19 restrictions. A motion was made to approve the offer, seconded and passed. Correspondence to promote the offer will be prepared and emailed. Terry and Mo will research how many lifetime members there are and provide a Scottsdale Livestock gift card as consideration for half price offer.

### **General Membership Meeting**

The Board discussed offering a General Membership meeting via Zoom to provide introduction of Board of Directors members and the Annual Report. Participants would be muted, and questions addressed by Chat feature.

The Board Officers were determined by volunteering:

- Secretary – Jenny
- President – Carmela

Judy will assume the duties of Treasurer and act as bookkeeper but not hold an official Board position. Vice President role is open and volunteers and/or nominations will be sought at the next meeting.

### **Next Meeting**

The date will be determined, and Board members notified.

Meeting adjourned at 7:45 p.m.
