Mike M. reported that EPCOR appears prepared to move forward with the water hauling standpipe as planned and will be sending notifications to those who signed up for accounts. Mike's responsibilities with the temporary water standpipe board will end in December as scheduled.

Welcome Committee – Veronica – no report

Roadside Clean-up

Kim is coordinating the November 22 event with Cody and signage and trash pick-up issues have been resolved. All equipment stored with Sabrina has been collected.

Social Events

Holiday Trail Ride – Kim

Jenny checked with the McDowell Sonoran Preserve staff who referred to the City of Scottsdale. For the smaller number of attendees expected there is no need for a permit and the ride can be held as a basic social gathering. Kim will monitor weather and interest and make final determination on the scheduling of this ride.

RVHA Garage Sale

Unfortunately, this event scheduled for November 15 was cancelled due to forecast of storms for the area. Kim will work with interested participants to select a new date for January 2026.

Next Meeting

Due to the limited attendance, no date was selected for a future meeting. December meetings are usually held as a holiday social event, which will be planned for January 2026. Mike M. will reach out to Board members regarding a January meeting

Meeting adjourned at 6:15 p.m.
